Giving the location of Streets, Avenues, Parks, Places, Squares &c, showing what other streets and places run from or across them, and with the Householders and Places of Business arranged in Numerical Order upon their respective Streets.

Numerically named streets, i. e. 1st, 2d, etc., appear first in the Pink Section of Volume One.

Business places are denoted by bold face numbers and business being given. In business blocks and apartment houses the occupants are arranged by room or suite where practicable. The locality is placed after the name of street. The word St is omitted.

The symbol ◎ following the name of a householder indicates that we received the information during the canvass that the house is owned by the person listed, or by some member of the family. This information is as received by the canvasser. The publisher does not and cannot guarantee its correctness.

The △ preceding names denotes householders and places of business having telephones.

Abbreviations are listed opposite beginning of Alphabetical Section.

† This symbol placed before a listing denotes inability to get complete information by personal call, telephone or mail.

(The numerals that appear at right edge of columns ahead of street descriptions and some street intersections are merely for the guidance of the publishers and have no other significance).

Streets in Ward 1 are located in East Boston; Ward 2, Charlestown; Wards 3, 4 and 5, City Proper; Ward 6 and part of 7, South Boston; Wards 8 and 9, South End and part of Roxbury; Wards 10, 12 and part of 11, Roxbury; Wards 13, 14, 15, 16, 17 and part of 7 and 18, Dorchester; Ward 19 and part of 11, Jamaica Plain; parts of Wards 18, 19 and 20, Roslindale; parts of Wards 18 and 20, West Roxbury; part of Ward 18, Hyde Park; Ward 21, parts of Back Bay, Allston and Brighton; Ward 22, parts of Allston and Brighton.
